## **Purchase Instructions for insulin syringes**

When purchasing insulin syringes from Rx Outreach, you affirm these insulin syringes are intended to be used for the treatment of diabetes or for another legitimate purpose.

If you reside in one of the below listed states, the following regulations will apply:

### **DE, ME, NH**

Insulin syringes/needles are only available in boxes of 100. These states will require a prescription to order syringes/needles. You must provide Rx Outreach a prescription prior to us processing your order. Your doctor may provide us with a prescription via e-prescribing or faxing directly from his/her office to 800-875-6591. You may also mail you prescription directly to us at Rx Outreach, P.O. Box 66536, St. Louis, MO 63166-6536.

A copy of a valid photo I.D. is required for identification and/or to provide proof of legal age. Examples of a valid photo I.D. are: a driver's license or a state I.D. card.

### **CT, IL, NJ, NY, US Virgin Islands**

Insulin syringes/needles are only available in boxes of 100. These states will require a prescription to order syringes/needles. You must provide Rx Outreach a prescription prior to us processing your order. Your doctor may provide us with a prescription via e-prescribing or faxing directly from his/her office to 800-875-6591. You may also mail you prescription directly to us at Rx Outreach, P.O. Box 66536, St. Louis, MO 63166-6536.

### **FL, IN, KY, MA, MD, SC, VA**

A copy of a valid photo I.D. is required for identification and/or to provide proof of legal age. Examples of a valid photo I.D. are: a driver's license or a state I.D. card.

### **CA, NV**

A prescription is required unless for use in the treatment of diabetes or other legitimate purpose. If you are ordering syringes/needles for the treatment of diabetes or other legitimate purpose, Rx Outreach requires a statement of necessity from your physician prior to processing your order.
